

CHENEY PROVES GIANT JINX AND STOPS 'EM 5-0

Holds League Leaders to Four Hits While Support is Gilt Edged—Tesreau Gets Ragged Help.

CHICAGO, July 31.—Larry Cheney proved a stumbling block for New York Wednesday when his almost invincible pitching with gilt-edged support checked the league leaders in their march toward the pennant. The score was five to nothing in favor of Chicago.

Big Jeff Tesreau was on the mound for the visitors and although he pitched a creditable game, his support was very ragged and shaky in spots. Murray, Fletcher, Shafer and Merkle saved Tesreau on several occasions, but the locals took advantage of each misplay and hit opportunistically. Cheney allowed McGraw's men but four scattered hits and each time that the eastern club threatened to score the local infield would nip the runner at the plate.

In the sixth inning the New York club went to pieces. Fletcher threw Zimmerman's grounder low to first and Saler followed with a double. Zimmerman going to third. Miller struck out. Tesreau threw Bridwell out at first but Merkle failed to catch Saler off second. Shafer threw wild to the plate, trying to catch Zimmerman, and the Chicago third baseman scored. Brennan drew a base on balls and Cheney singled to center. Snodgrass was set for the ball and it rolled through his legs and went to the club house. Before it was returned to the infield, Cheney had circled the bases, driving Saler and Bridwell in ahead of him.

McQuillan pitched a steady game, but in the eighth was touched up for three singles and a triple, netting the Dodgers two runs. A double play just before Viox hit a three-bagger saved Pittsburgh. HUGE GUN FOR PACIFIC GIBRALTAR

This is the first 14-inch gun ever built for Uncle Sam's island defense. It weighs 60 tons and will hurl a 1300-pound bullet 14 miles. The gun was shipped from San Francisco recently to Honolulu on the steamer Lurline. With three other like pieces now under construction, this rifle will constitute the battery that will defend Pearl harbor. The gun was so cumbersome that it could not be lowered into the hatches of the liner, so it was hauled to the deck. Seven men can conceal themselves inside it.

Fifth Round of Western Golf Championship Will Exhibit Men of High Caliber—Byford Wins Feature Match.

CHICAGO, July 31.—The field in the Western Tennis Singles Championship tournament at Onwentaia Wednesday was narrowed down to nine men, most of them players of such class that the fifth round which begins Thursday and the semi-finals scheduled for Friday should be prolific of some of the best exhibitions of the game ever seen in the central states.

Wednesday John Strachan, one of the brilliant young Californians whose playing has been a feature of the tournament, will take on L. Harry Waldener, a veteran whom the great reputation of the coast player is not as likely to awe as it did others of less experience.

Joseph Armstrong, the Minneapolis star, meets Walter Hayes Thursday; Clarence Griffin, Strachan's partner from the golden state plays Heath Byford of Chicago and John Adams of Minneapolis takes on the winner of the match between J. H. Winston, Chicago, and William Blair, Lake Geneva.

In the feature match of the tournament, Heath Byford, one of the best local players, defeated "Chick" Benton, the Cleveland man holding the Michigan state title. The score was 6-2, 3-6, 6-0.

MANY RECORDS MARK DAY ON GRAND CIRCUIT

Average Time For Fifteen Heats is 2:06 9-15—Split Heats All Races.

GRAND RAPIDS, Mich., July 31.—The largest audience ever assembled at a race course in this city Wednesday, in a program of grand circuit racing lasting until dark and going over with one event unfinished, saw the world's record for average speed for an afternoon on any track shattered in a series of performances marked by the reduction of a variety of records.

Of the 15 heats paced or trotted the slowest was the one just at dusk, 2:03 1-2, by Strathstorm. The speediest was Stet Brino Lad's, 2:00 1-4, in the third heat of the 2:07 pace. The average time for 15 heats was 2:06 9-15.

Every race was featured by split heats and torrid finishes. Warner Hall, favorite in the 2:07 pace, never landed better than second; Iowa Todd showing the way in the first and Rodney's Stet Brino Lad winning the three subsequent heats.

The furniture manufacturers' \$10,000 stake for 2:12 trotters, feature event of the meet, started with Tommy Horn ruling a strong favorite. The Indiana horse showed justification for this confidence only in the first heat, which he won with ease. In the second heat, a rush by Tenara, landed the Madden entry a winner and brought the time down to 2:05 2-4, which constituted a race record for a trotter at Comstock track. This record endured only until the next heat in the 2:05 trot, when a rush by Tenara, landed the Madden entry a winner and brought the time down to 2:05 2-4, which constituted a race record for a trotter at Comstock track. This record endured only until the next heat in the 2:05 trot, when a rush by Tenara, landed the Madden entry a winner and brought the time down to 2:05 2-4, which constituted a race record for a trotter at Comstock track.

Tenara, despite her evident lameness, out-gamed and out-stepped the field in the third and fourth heats, thereby gaining the long end of the heavy purse.

Cheeny, favorite in the 2:08 trot, fulfilled expectations after dropping the first heat to Marigold, hard driven by Murphy.

Thursday's card includes the Comstock \$5,000 stake for 2:11 pacers with nine starters.

TWO BASE HITS BY MACKS HELP DEFEAT BROWNS

Sacrifices Also Assist in Two to One Victory—Pitchers Are Effective.

PHILADELPHIA, July 31.—Two base hits and sacrifices played a big part in the victory of Philadelphia over St. Louis, 2 to 1, here Wednesday. Bush and Wellman were very effective and had excellent control. A two-bagger by Schang, Bush's out and Oldring's single gave Philadelphia a run in the third inning, while Danny Murphy's double, Barry's sacrifice bunt and Schang's sacrifice fly produced the winning tally in the fifth. Stovall scored in the sixth for the visitors on his single and Pratt's triple. The game was barren of anything out of the ordinary in the field. St. Louis . . . 000 001 000—1 5 0
